

Dear Parent/Caregivers

Thank you for your interest in having your child educated at the Auckland Seventh-day Adventist High school (ASDAH). We are a small school with a strong Christian spirit that believes in collaborating with families to grow students spiritually, academically and culturally. We also believe in preparing our students for a world that is constantly changing and our programmes are designed to foster creativity, problem solving, collaboration and service. At ASDAH we believe that every child is important and we do our best to see that every child gets the best opportunity for success.

Our 2016 ERO report reassures the community that the learning environment at ASDAH caters for all students and that many of our students experience success in their secondary schooling.

At our school, your child will:

- Have access to IT facilities. Most of our schoolwork is done via laptops, which the school provides. Our school Board is very supportive of technology and have invested money to ensure that all our students have access to IT.
- Be able to participate in school sports. We offer a range of sport during the 4 terms and encourage all students to play and we believe it fosters teamwork and discipline.
- Participate in extracurricular activities. Students can join the Science club (which includes Robotics), the school choir or brass band.
- Be part of after school study programmes. Our library is open 3 afternoons a week until 5pm for students to stay after school and do their work. Once a week we have a study evening that runs from 4:00 – 6:00pm where students can get Math/Science and English help from staff who run the programme.

Christian values underpin all we do at our school and we encourage everyone to respect one another and to value our differences. We have a strong family atmosphere and our teachers are supportive, well qualified and dedicated to assisting your child to achieve their fullest potential.

We have a great school with excellent academic results and would love for your child to be part of our community.

Thanks be to God

Gloria Teulilo
Principal
